Daily routine

We have a structured daily routine that the children follow using a visual timetable. On arrival children are encouraged to be as independent as possible, placing their coats and bags in designated areas before completing their "check-in" procedures and dinner register.

How and what we learn

In the designated areas set up within our classroom the children are encouraged to investigate and explore learning experiences alongside their peers with the support of the adults. The modelling of patterns and co-operative play work hand in hand with specific language learning, helping the children to develop their understanding and confidence when using Welsh as their natural tongue. A wide variety of play-based activities are offered to the children to enhance their learning and to ensure they are developing with appropriate challenge.

Amser Ilaeth a snac

There will be a designated time in the day for pupils to have their snack. We ask kindly that all snacks brought to school are healthy. Children can also bring in 30p to buy fruit at the fruit trolley. Children will help themselves to milk during the afternoons to support independence.

P.E lessons

P.E lessons will take place every Friday afternoon. Appropriate kit and footwear are essential for pupils to participate. We ask that all items of clothing are labelled so that they are easy to find if lost. Children can come to school in their uniform and the children will change in school.

Keeping in touch....

Please let us know if your child is absent and why by calling reception. This helps us to support your child appropriately when they return to school.

There is a member of staff on the school gate in the morning if you need to pass on a message to the class teacher.

If there are any other questions or queries you would like to discuss at any time during the school year, please do not hesitate to call in after school or telephone to make an appointment.

Gwener Gwallgof

Gwener Gwallgof will take place every fortnight. During 'Gwener Gwallgof' we aim to access the outside area as much as possible, therefore we ask that appropriate clothing and spare shoes/wellingtons are brought to school every other Friday.

Although a Friday morning is our designated outdoor learning afternoon, we use the outdoor area often for other activities/lessons. If you wish to do so, we would be happy to keep pupils' outdoor clothing and shoes/wellingtons in school during the term and we would return these before each school holiday. Please ensure the items are labelled and in a bag that can stay on their pegs.
