Dysgu Adref /Learning at home

Anogwch eich plentyn i gwblhau tasgau adref os gwelwch yn dda.

A 'menu' of home learning tasks is sent home and the time given to complete the tasks is usually about half a term.

Please encourage your child to participate in the home learning activities to further develop skills taught in school. Most tasks can be done independently, however some tasks are aimed for parents to participate and help, especially at this age.

Home learning will often incorporate the use of seesaw, Office365 and Google classroom via HWB. A password is given to each child. These online learning platforms integrate the essential ICT learning skills necessary for the digital future!

Mae cyfrinair ar gyfer y disgyblion ar gyfer rhaglenni fel Mathletics a Darllen.co. Pupils are also encouraged to access Mathletics and Darllenco at home, as well as in school. All pupils have passwords/QR codes for these programmes.
